Some Reasons Why The Organized Farmer Should Support The Stewart Government

BY A U. F. A. MEMBER

Because it has at its head a man whose personal integrity, conscientiousness of purpose and fairness of judgement are acknowledged alike by personal friends and political foes, thus constituting him the type of Premier best calculated to meet the various needs of the people of the province.

(2nd) The members of his government (many of them farmers themselves) have shown a keen interest in all questions affecting the cause of agriculture (within the limits of provincial legislation) and have in no instance shown any partisan feeling against any fair or reasonable resolution put before them for their consideration by the U. F. A. executive.

In our Provincial minister of Agriculture the farmers of this province have a friend who is acknowledged to be the champion fighter in the cause of agriculture of any man or minister in the Dominions or beyond them. His zeal for the farming interest is proved by the fact that even now, instead of hurrying home to make his calling and election sure, by a campaign of speechmaking, he is devoting his time to trying to convince the obdurate Britishers, in his own inimitable way, that it would be good business for both Canada and the Mother country to have the embargo lifted. This is the sort of action on the part of our parliamentary representatives that ought to convince all farmers who prefer more action and less talk in our M.P.'s that in the Hon. Duncan Marshall we have the kind of man we've been looking for, and to replace him at this time with any other man, no matter how conscientious, or brilliant and well meaning he may be in all matters concerning the cause of the farmer,—would be a disaster for the Hon. Duncan is acknowledgedly possessed of all those attributes while to them he adds the steady influence of that experience which teaches us to look before we leap.

Which brings us to another reason why we should support the Stewart government, i. e. the need for caution in these days of uncertainty what the future holds for us as individuals and as a province. The Stewart government in its four year course has steered its way amidst the vexed and doubtful provincial problems with a sanity of vision which has won the ready admiration of its followers and the reluctant approbation of the opposing forces including the Independents, and backed by the knowledge gained in its four year term we can safely assume it will do even better work if allowed to carry on for another period, well backed by the farmers.

But there is another reason, closer home, why the organized farmer should be chary of entering the provincial, as well as the federal lists. We submit that even if the U.F.A.'s were all millionaires or the subject, there still remains the question of financial fitness for the task. There's no getting away from the fact that in these days to keep up a steady demand for money for campaign funds from the average farmer member, whose dollars are also "average" scarce is going to antagonise that member towards the movement. For hectic U.F. enthusiasts to the contrary, the average member has to be shown if the cause he is asked to subscribe for is really needed before he will 'loosen up'. Then if he can't be shown who is going to provide campaign funds? And in our opinion the real necessity of replacing the Stewart government with a Farmers' government is going to take some showing when all unprejudiced evidence is to the effect that in the Stewart government we have already a Farmers' government in all but name, and what matters its name when it its deeds that count?

We are merely squandering provincially the financial power we require for federal campaigning,—seeing that the economic problems that are injuring us as farmers—the protectionist tariff, the high freight rates, the lack of national marketing facilities can only be righted for us by the Federal government. The provincial government

Ribstone U.F.A. To Send Delegate To Political Convention

The next meeting of the Ribstone U.F.A. will be held on Saturday for the purpose of electing delegates to the convention at Watnright, also to receive the report of the bank committee. Members and others are requested to be present at this meeting.

Ribstone Notes

There is an increase of twenty per cent in the area of land being summer fallowed this year in the Ribstone district.

Road work has been in full swing during the past week.

Crops in the Ribstone district are now in need of rain, they have been making good progress and with an early rain, a good general crop may be expected.

Lealholme U. F. A. & U.F.W.A. Notes

A special meeting of the Lealholme U.F.A. was held at the Prosperity school house Monday evening July 4th in the Prosperity school, to hear the report of the delegation to Watnright, and also to elect delegates to attend the convention at Watnright on July 7th.

The front page is not the only page upon which local news appears. Local news of interest appears on each of the eight pages of this issue.

being sufferers even as we are by reason of these strictures on our agricultural progress.

It would surely be worse than foolish to lessen our chances of winning a real redress, for the paltry satisfaction of 'bucking' our provincial government by opposing its supporter in our constituency with a real "bona fide" farmer's candidate, (even if we could overcome the difficulty of explaining just what a man has to be before he can fill the bona fide bill.) The only result as some of us see it, would be the one least desired. By splitting our votes we would fall between two stools, to the satisfaction of the Conservative party in the province which tho' tried provincially is now to stand for many of the forms of high protection which is the real oppressing factor in our case.

Fate has been kind to us in this part of the province in that the course of events has brought to us a supporter of the Stewart Government whom it is thrice easy to vote for. In the person of Major Harry Strachan, V.C. we have a man whose actions have ever been louder than his words, whose aims and principles are of a high order, and who has proved himself able and ready to uphold them fearless and unafraid whether on the field of battle abroad, or in the cause of equity and fair-play at home. A farmer himself, he knows just what we are up against, while combining in himself the ability and fearlessness needed to suggest a remedy, and press the need of it home, regardless of place or party; while by virtue of his broad outlook he will not prejudice his case by a show of that narrowminded partiality for one class or one industry which sooner or later restricts a person's public usefulness.

Both town and country need to be represented by the type of man whose word is his bond and whose vision is national, and in Harry Strachan, V.C. brother farmer and man of affairs, as well as true patriot and gallant gentleman, we count ourselves fortunate to have found the very man we have been looking for—and therefore a grand man to 'tie-to' on election day, July 18th. Happy Crowds At S. Jean Celebration

A very pleasant time was spent by all who attended the S. Jean Baptiste celebration at Chauvin Tuesday June 21st. The proceeding began with the solemnization of High Mass in the open air just east of the Church. It made a charming scene in the square bluff which at this time of the year is at its best. Following mass, the happy concourse crowded in to get their bean dinner, served by old man Lambert in his usual masterly fashion.

The afternoon proved a most happy hour. G. L. Coxe, of the Alberta contingent, who spoke of Patriotism and the upbuilding of the "Canadian Nation. He was followed very capably by the local member, Capt. G. L. Hudson, M.L.A., and by Mrs. L. E. Roy, of the Chauvin Women's Institute.

Rev. Father Cochet, of West Edmonton, was present and took part in both the forenoon and afternoon proceedings.

The receipts for the day totalled to \$472.00, and after the various expenses are paid there will remain a sum of approximately \$325.00 to devote to the Church Building Fund. A full program of sports for both boys and girls was carried out during the afternoon which was a great list of prizes was prepared.

The managing committee desires to thank all who assisted in making the day such a success and to those who donate the prizes.

Continental Germ-Free Blueberries in doses of five, ten and twenties, may now be obtained at The Chauvin Pharmacy. Same prices as from Winnipeg Veterinary and Feeders Supply Co.

G.W.V.A. Endorse Strachan Nomination

The regular meeting of the Chauvin G.W.V.A. was held in the office of Mr. A. E. Keith last Saturday night—Mr. J. Cubitt in the chair.

Matters relating to the 19th July events of the order of the evening, and on motion of E. A. Pitman, sec. by C. J. Smith the sum of \$100 was voted by prize money to be divided as per the posters. Carried.

Editor's note—These posters will be published during the next few days.

It was moved and carried to hold as much as possible in the morning so that there would be no danger to the spectators.

It was moved to allocate to each number of the committee two or three events of which he is to be in sole charge. We hope this will do away with delay.

The following open letter was then authorized to be sent to Major H. Strachan, V.C., M.C.—

Dear Sir and Comrade
The Chauvin branch of the G.W.V.A. note with pride that you have been chosen as the Liberal candidate in the forthcoming election, and at our personal meetings we have expressed our confidence in you and pledge our fullest support.

The meeting then adjourned.

Alberta Dragons

The jerseys for uniforms for the 45th Alberta Dragons have gone in and it is expected that the uniforms will be available at an early date.

Football Notes

The Edinburg footballers put up a good game against Chauvin at Stassburg on Friday at Chauvin. They have some good men in their team and with practice would make a formidable combination. Guthrie, of Chauvin performed the hat trick for the home boys, three goals being the only score. Chauvin 3, Edinburg 0.

The Chauvin team played a friendly game with Manitou on the latter's ground on Tuesday, June 21st and were lucky to win 2-0, both goals being of a very fluky nature. Beattie and Foxwell noticed the points.

There was a good attendance at the game, after which the ladies of the district served refreshments to the visitors.

Chauvin are sending a strong team to Manitou Lake to compete in the sports next Friday and it is expected that at least five teams will be present to compete for the money. The following is the probable local line-up: Goal Rowley (capt.); backs, Fortyan, Strachan; halves Johnston, Beattie, Keestley; forwards Guthrie, Hawthorn, Foxwell, Wells, Smith. This team 8th probably one or two changes is the one which will also represent the town at the Chauvin Sports next week.

DENTIST COMING JULY 4—6th Dr. F. L. Bugalis will be at the Killamby Hotel, Chauvin, on Monday Tuesday and Wednesday, July 4th, 5th and 6th.

Dr. and Mrs. Freshett and Jean Paul, who were visiting Dr. and Mrs. St. Jean last week, are leaving Lashburn this to go to the back east and to the up railway in Montreal.

A Tennessee man and woman have lived together twenty years and during that time have spoken to each other only twice. Apparently there are yet a few happy marriages.

The man who can't support himself thinks the other fellow should be his brother's keeper.

We are never too old to learn— which means that every day we should add something to our store of knowledge.

Some folks look with suspicion upon some men merely because they are so particular about attending church.

Sometimes we imagine the office girl marries the busy employer to get such a nice turn of the tables.

An undertaker is about the only man who doesn't have a catalog house competition.

The cry that there are no honest men is a false one. Think of the physician who cures his patient and shuts off his source of revenue.

A Colorado woman has just recently received a divorce decree from a husband who died several years ago.

We presume no defense was put up.

A girl who sparks isn't always a jewel.

Folks with the most dough are not always the best bred.

Provincial Election Draws Near

Elections are now in full sight. Within the next few weeks we look for a steady growth of interest in the important issues which must be settled.

Provincial politics are strictly of an administrative nature, and may be compared to a big municipal council. The duty of the provincial government is to take care of provincial questions. The provincial government, having no international relationships, or business, does it call for the larger statesmanship which deals with world politics. It is concerned with questions of provincial interest, and these are sufficiently difficult to call for the most intelligent handling, and efficient management. And should—as appears likely—the natural resources be handed over to the province, the duties of the provincial government will have been materially added to. These duties being, as we have said, administrative, the question of party politics may be relegated to the background, and in its place we must consider "efficiency" Our duty being to select and elect the most efficient man.

In this constituency, we have been represented by a very efficient man, Capt Hudson, and his record has been one of which he may be proud. While definite information has not been furnished to this office, we are under the impression that he may be willing to stand for re-election.

The matter of his nomination will be definitely settled before the end of this week. At the same time the U. F. A. will have come to a decision as to whether or not to run a candidate.

In the meanwhile there is but one recognized candidate in the field, Major Harry Strachan, V.C. M.C.

There is a probability that the contest may become a three cornered one, and the electors called upon to decide the issue.

Attitude Of Local Paper

The question may fairly be asked: What stand will the local paper take? Speaking frankly, the editor is convinced that in the person of Major Harry Strachan, V.C. M.C., we have the best candidate for election, and therefore the editor will record his vote for H. Strachan—Strachan is one of the best educated men in our constituency, he has proved his valour and leadership in war, he has proved his worth as a citizen and farmer, he has never been a rabid party politician, but has always regarded politics as a matter of public welfare and concern—But while holding these views as an individual, the editor recognizes the right of all parties to make expression thru the columns of the local press.

The columns of the local press will be open to all parties. The ear of the public may be reached through these columns. We hold tenaciously the idea that the public is entitled to the right to hear both sides; and that it is the duty of the public to make the final judgement at the poll by their votes.

We only ask all parties concerned to remember that we are bound by certain limitations: Our physical capacity, our mechanical capacity, and our financial capacity. Within the range of these limitations we will endeavour to open our columns to all parties, and to give all a fair and square deal.

Notes from North East

The services held in Artland and Stanmore districts are proving successful and the following have been chosen as the Board of Management.

Artland. Mr. Smith (Chairman)
Mr. C. R. Merritt, Secretary-Treasurer, Mrs. Smith, Mr. and Mrs. Alice McRae and Mrs. Arthur Ross.
Stanmore. Mr. T. Scott (Chairman)
Mr. Findlay Harris, Secretary-Treasurer, Mrs. T. Scott, Mrs. J. Scott, Mr. and Mrs. Wm. Wright and Mr. Frank Wright. Mrs. A. W. Wright has consented to act as organist.
With such strong committees as these it is almost an impossibility to fail, and it is hoped that we shall receive very gratifying reports from these districts.

Arrangements are proceeding apace for the picnic to be held on July 12th under the auspices of the Farm Grain Growers' Association. The committees are hard at work, and it is hoped to have a really good time, especially the young people for whom a special sports programme is being arranged. Axel Gabrielson, Mrs. Kendal W. Cox and Mr. W. Pritchett have these arrangements in hand, while the booth committee comprise Messrs. A. Gabrielson, T. Martin, Harold Matson, A. Groundlund, and T. Thorsen. To wind up, a dance is being held in the open (weather permitting) and Messrs. S. Utis and P. Wogberg have charge of this end. It is hoped that the ladies will rise to the occasion with baskets, also that "Jupiter Pluvius" will abstain himself. Lastly that all friends (especially from Mandan and Brady districts) will be with us. These three things combined will make success certain. The picnic is being held on the grounds of Mr. P. Wogberg beautifully situated 1½ miles south of their big Ford. Mr. Jno Paterson lost a valuable horse and Mr. Gar Lawson broke the waffles tree on his buggy.

Mr. J. Dubois, who for some time has been night operator at Artland, left for Beaumont and Edmonton. An interesting announcement has gone, where he will visit relatives be-held in connection with the fare taking up another appointment picnic at Manitou Lake. \$25.00 has been set aside for the purchase of a Stampede in more ways than for the youngsters. A wise one. Mr. B. Braven broke the axle and one that will greatly add to

the enjoyment of the smaller boys and girls. A last word in inviting one and all to celebrate the 1st of July at Manitow Lake. Every little thing is in readiness for the great day. As the large poster says "Come early and stay late", and help to make this the best of all picnics of 1921.

No more hired men in this district in a few years. Mr. and Mrs. G. Blenach are the happy recipients of congratulations on the birth of a son.

Lastly and most important. The usual meeting of the F.R.C.A. on Saturday next, July 2nd will have the Stewart-Eddell wheel Pool report up for discussion and an interesting time is assured.

Battle Hill Picnic

Was Big Success

The annual picnic took place on the grounds of Mr. P. Wogher last

Friday June 24th and a very enjoyable time was spent by those present. Owing to other picnics being held on the same day the crowd was smaller than usual. The booth under the management of Messrs Lavold, G. Anderson, and S. Ellis did a roaring business, and sold out before the day was through. The baseball game between Atle and the local club ended in the first named taking the prize money by the score. It is hinted however that they were assisted by players from other clubs. The local players put up a good fight, but could not cope with the aggressive Albatross. A sports programme was carried out after the youngsters had had a good time, the married ladies had a race, and after a dead heat with Mrs. A. Halls, Mrs. Gunnard Anderson was the decider. The 100 yards dash was taken by the two Matson boys. Harold being first and Hilding second. The high jump was won by Lars Swanstrom in easy fashion, and the long jump by Ted Spence. The tug of war between the married vs

single ended in the benedicts having a how to defeat by their younger opponents. The dance which followed was held in the spacious barn of Mr. S. Ellis (kindly lent for the occasion) and it was morning before the crowd wended its way home happy, but tired in the knowledge that they had spent a most enjoyable day. Much credit is due those who had the arrangements in hand. Especially to Mr. Lavold (Chairman) and the untiring effort of Mr. Anton Anderson, who made a splendid Sec.-Treasurer.

Big Crowds Attend The Stampede

The Stampede which was held on Wednesday last by G. Tessier, was an event which attracted a great crowd. Some 1500 people gathered from a large area including Manitow Lake, Marsden, Artland, Senlac, North End, Macklin, Chauvin, Ribstone and other districts. The weather was fine and the situation of the stampede ground was well chosen for its beautiful scenery which was enhanced by the Freshwater Lake.

The following are the names of the prize winners in the sports:

Bucking Contest—1st Jim Ancher; 2nd J. Williams; 3rd Geo. Suffer; Steers Bucking Contest—1st R. Cornish; 2nd P. Godin; 3rd J. R. Coates.

Judges—L. F. Byrne, Edgerton; C. M. Kirby, Chauvin; W. Portway, North End; J. Semple, Chauvin. Committee—K. Godin; Dr. Frechette; G. M. Beattie; W. Johnston, G. Reynolds.

Horse Races—Free for all, open run—1st G. Tessier, 2nd Pat Whitford.

Pony Race—1st G. Tessier; 2nd O. St. Pierre.

Tug of war—Horse back—Winners Pete Godin, Bert Johnston, K. Godin, Chester Bull.

Swimming Races—Men 1st W. Collison, 2nd H. Schaeleton, 3rd N. Hughes.

Ladies Swimming Race—1st Miss Alma Godin; 2nd Miss Anna Godin. Foot Races— $\frac{1}{4}$ mile 1st Blair Reby-com; 2nd F. Laplante.

Fat Mens Race—30 yards, 1st G. Rutherford; 2nd C. McPherson.

Little Foot Race—50 yards, 1st Mrs. Proctor, 2nd Mrs. Allison.

Girls Foot Race—50 yards, 1st Miss McKague; 2nd Jeanette St. Pierre.

Boys Foot Race—50 yards 1st B. Wille; 2nd R. Mathison.

Mens tug of war—This was very handsly won, the teams were North End vs Manitow Lake; and it was only after 15 minutes of hard pulling that the winners (North End) were able to pull their opponents over the line.

The Ladies tug of war was also very hard work. Eleven North End ladies against all comers; Both sides put forth some very strenuous efforts but the North End ladies proved the victors.

At nine o'clock the Indian Pow-wow took place and was a very interesting item.

The Bowery Dance lasted until 1:30 a.m. The light was supplied by lanterns. Good music and a good floor left nothing more to be desired by the happy company of dancers.

The gardens around town this year are away ahead of any previous year. The old-fashioned idea of gardening is again in evidence. It certainly reduces the cost of living.

Chauvin W. I. Notes

The Regular meeting of the W.I. was held in the Rest Room on the third Saturday of the month. After disposing of the regular business a pleasant half hour was spent in hearing and discussing quotations from Canadian authors. Mrs. Holbrook and Mrs. C. Miller served a dainty lunch.

The interest of the W.I. is this week centred on the provincial convention held in Edmonton. Mrs. Paré and Mrs. Offord are representing the local branch.

W. L. A. Notes

The "Western tea, sale of home cooking and exhibition of work, held by the Westminster W. A. on the second Saturday of the month in the church, was from a financial point of view a decided success. The sum of fifty-one dollars and fifty cents (\$51.50) was realized.

The majority of the articles exhibited were sold and a large number of orders taken for duplicates.

Ribstone W.I. Notes

Mrs. M. McCrea and Mrs. J. Dallyn journeyed to Edmonton to attend the Provincial convention as representatives of the Ribstone branch of the W.I.

The regular meeting of the Ribstone W.I. will be held in the Municipal Hall on Saturday July 2nd.

It's funny how getting married brings a man to his senses—but it is then too late to use them.

As long as he himself does not suffer it seems hard to convince a man that his mistake is serious.

It is very unsatisfactory to have to argue a man into believing that you agree with him.
